

From the Principal's Desk

17 April 2023

Dear Parents

Welcome back to Term 2 at Sinai College! I do hope you and your children had a lovely break and enjoyed the Pesach celebrations. We have a busy term ahead of us, and I wanted to start the term with some organizational matters.

COLLEGE CALENDAR

Attached to this correspondence I am also sending an updated College calendar. This calendar will help you to know not only about College events, but religious holidays, school holidays and student free days. We have also endeavored to include upcoming excursions and incursions, although there may be more to add. I encourage you to pop this calendar where the family can see and access it to make sure you are well prepared. In addition, we will send home invitations and flyers for any upcoming College events. If the calendar changes, I will send you an update.

COLLEGE VALUES

It is Rosh Chodesh Iyar and the value for the month is Hitlahavut- enthusiasm and being positive. This is a wonderful, and very fitting value to start off the term. We will be actively teaching this value and look forward to seeing it shine through in all of our young learners.

PARENT TEACHER CONFERENCES

As you will see in our calendar, we are hosting parent teacher conferences on **Tuesday 2 May 2023**. Conferencing with your child's teacher is a wonderful way of not only seeing the academic and social progress they are making, but to collaborate on ways that we can better support your child. In order to facilitate this process, please phone or email Admin with your availability (3:15pm-5pm) and we will respond promptly with your appointment time.

From the Principal's Desk

YOM HA'ATZMAUT

We will proudly be celebrating **Yom Ha'Atzmaut** at the College on April 26 with activities and festivities for the children. I would like to encourage you and your extended family to join us in the community center on the 30 April for the State Zionist Council of Qld FREE event, where there will be food, rides and entertainment from 2pm.

ENROLMENTS

As we look to grow our wonderful school, I would like to ask for your help, as proud parents of Sinai College. While the school will take a strategic approach to marketing and enrolments, the very best advertisement comes from our parents! Coming home today are a number of business cards that I would ask you to hand out to any friends or families that you think may be interested in Sinai College. I would love to see more students benefit from the wonderful offerings here at the College, and ask for your support in encouraging this.

Kind Regards
