The College fees can be either paid in a lump sum at the commencement of each term (where a 5% discount will be applied for upfront payment) or you may like to set up a regular direct debit through your bank. Ideally, we suggest you set this up so that your fees are paid in advance.

To do this, please set up a weekly or fortnightly direct debit using the following details

Account Name: Sinai College

BSB: 633 000

Account: 121 317 192

Reference: Child's surname

The amount you set up to pay may be different, but the following can guide you

For 1 child

- 6 equal fortnightly payment of **\$246 / fortnight** or
- 12 equal weekly payments of **\$123/ week**

For 2 children

- 6 equal fortnightly payment of **\$455 / fortnight** or
- 12 equal weekly payments of **\$227/ week**

The College resource levy, excursion levy, sports levy and security levy need to be paid **upfront** before the commencement of the school year. Bus fees may also be paid upfront or included in your direct debit amount.

Once you have commenced payments of your school fees, please notify Maree Erikson so that she can register receipt of your payments on merikson@sinaicollege.qld.edu.au
